Our Mission

**Empowering
people who
are homeless
to move to
economic and
personal self
sufficiency**

Thanks to a special gift from GE's Jim Suci, volunteer extraordinaire Mark Bellamy, and the GE team of volunteers, Crossroads' Help Office and all-volunteer Mail Room were transformed into inviting places. Each year the Help Office and Mail Room accommodate over 60,000 repeat visits from metro Atlanta homeless men, women and children seeking emergency / essential services to help them end their homelessness.
